Fischland are:

- fish processing plant,
- fish smokehouse,
- fish farming,
- wholesale fish in Wroclaw
- fishing area and fish bar.

Fischland in its offer:

- fresh fish,
- smoked fish,
- broiled fish,
- frozen fish,
- fishes,
- preserves, salad.

Fischland was established in August 1992 as private farm fishing with processing plant. It has its own ponds, fish and fishing smokehouse, where we use real wood.

Fischland is one of two in Poland producers of trout Kłodzki, inscribed on the List of Traditional Products by MNiRR.

Products from the Fischland smokehouse comply with the latest standards in the content smoke. Contain less than 2 M. tar for 1kg of fish.
